WELCOME TO ALTERNATIVE TO DISCIPLINE PROGRAM

Based upon the criteria outlined, your case will be forwarded for consideration of the Board's Alternative to Discipline Program (ATD).

The Nurse Consultant you have met with has had you either signed a release for current treatment records or you have entered into an ATD Evaluation Agreement with defined timelines for scheduling and completing an evaluation with a Board approved evaluator.

Members of our ATD team will be following up for your records or signed Release of Information for the chosen Board approved evaluator after you have scheduled an appointment. Please promptly provide via email the release of information for the evaluation to ATD@azbn.gov. *(Please note that it will take your evaluator 2-3 weeks to complete an evaluation report and provide the information to the Board.)*

Please note that if you have released current treatment records, it may take 2-3 weeks for the Board to receive and review your treatment records before determining next steps with the ATD program.

If you have questions on the status of your case, please contact an ATD team member at 602-771-7865 or email ATD@azbn.gov for an update.

Thank you and welcome to ATD!
