

Arizona State Board of Nursing Approved Pre-Licensure Nursing Programs

The following is a list of all practical nursing programs and registered nursing programs currently approved by the Arizona State Board of Nursing. Per R4-19-213(E) a nationally accredited nursing program continues to retain full-approval status unless the Board rescinds the approval after the program has had an opportunity for a hearing in accordance with A.R.S. Title 41, Chapter 6, Article 10 and 4 A.A.C. 19, Article 6 of this Chapter.

For additional information including NCLEX® quarterly reports please visit the AZBN website at <https://azbn.gov/education/arizona-nclex-pass-rates>
 Information regarding admission requirements or tuition can be found using the specific program websites listed below.

The list for Programs with Current Violations can be found on our website: <https://azbn.gov/education/nursing-programs-lists/programs-under-current-discipline>
 This list would apply to programs below that show a status of: -Active Consent Agreement or -Decree of Censure or -Prior Board Action

Please contact the Board directly for all non-disciplinary Board actions including Notice of Deficiencies, Letters of Concern, and Prior Board Actions by sending an e-mail to lledbetter@azbn.gov. Please include the name of the program and a request for documents related to all Board actions. Please allow 2-3 days for electronic delivery of your documents. Per ARS§ 32-3214(C) "If a health profession regulatory board maintains a website, the board must display on its website a statement that a person may obtain additional public records related to any licensee or certificate holder, including dismissed complaints and non-disciplinary actions and orders, by contacting the board directly."
