

Arizona State Board of Nursing Approved APRN Distance Learning Nursing Programs

The Arizona Nurse Practice Act generally requires APRN programs operating in Arizona to be approved by the Arizona State Board of Nursing (“Board”), as described in Arizona Revised Statutes (“A.R.S.”) §32-1644 and Arizona Administrative Code (“A.A.C.”) Rule 4-19-501 – 504.

Prior to 2009, all programs interested in offering a distance APRN program to AZ RNs were required to submit a full application and self study for Board approval consideration. In 2009, the AZ Board of Nursing proposed and received approval for an exemption for certain out-of-state APRN programs for clinicals only, and only if specifically approved by the program’s home state Board of Nursing (not another agency or accrediting organization, and does not apply if the home state Board of Nursing does not approve APRN nursing programs).

Arizona Nurse Practice Act (A.R.S. §§ 32-1601 – 1669, Rules 4-19-101 - 815); and specifically, A.R.S. §§ 32-1631(7), 1644, 1666, and 1667; and A.A.C. Rules 501-504

[Programs with Current Violations can be found here: https://www.azbn.gov/education/nursing-programs-lists/.](https://www.azbn.gov/education/nursing-programs-lists/)

This list would apply to programs below that show a status of: -Active Consent Agreements including Decree of Censures or -Prior Board Action

Please contact the Board directly for all non-disciplinary Board actions including Notice of Deficiencies, Letters of Concern, and Prior Board Actions by sending an e-mail to lledbetter@azbn.gov. Please include the name of the program and a request for documents related to all Board actions. Please allow 2-3 days for electronic delivery of your documents. Per ARS§ 32-3214(C) “If a health profession regulatory board maintains a website, the board must display on its website a statement that a person may obtain additional public records related to any licensee or certificate holder, including dismissed complaints and non-disciplinary actions and orders, by contacting the board directly.”
