## WELCOME TO ALTERNATIVE TO DISCIPLINE PROGRAM

Based upon eligibility criteria, your case may be forwarded for consideration of the Board's Alternative to Discipline Program (ATD).

The Nurse Consultant managing your investigation has had you **either** sign a release for current treatment records **or** you have entered into an ATD Evaluation Agreement with defined timelines for scheduling and completing an evaluation with a Board approved evaluator.

Please promptly provide via Adobe Sign, the Evaluator Release of Information for the evaluation.

Members of our Compliance team will be following up for your records or signed Release of Information for the chosen Board approved evaluator after you have scheduled an appointment. *(Please note that it will take your evaluator or treatment records 2-3 weeks to be released, received and reviewed by a Board designee).* Upon review of your evaluation or treatment records, a Board designee will contact you before determining the next steps with the ATD Program.

If you have questions on the status of your case, please contact a Compliance team member or email [ATD@azbn.gov](mailto:ATD@azbn.gov) for an update.

Thank you and welcome to ATD!
