

partner on the clinical portion. We will be doing test writing to update the questions and a new curriculum has been approved.

CTE-LPN Program-Work has started to look at a possible LPN program in the high schools. Pima JTED and Pima Community College will partner and we are working with the state of Nevada as they are implementing this program. The Department of Education is also in partnership with this initiative. We are information gathering from other states also.

CNA Conference- April 26, 2019
